

KERNERSVILLE LITTLE LEAGUE

Scholarship Program

Kernersville Little League is offering two scholarships to high school seniors who wish to continue their education. One scholarship will be awarded to a male, and one to a female in the amount of \$1,000.00 each.

To be eligible for the scholarship, applicants must be high school seniors and exhibit the following qualities:

- A. Participation - Applicants must have played in 50% of their team's games in at least three seasons of the Kernersville Little League's Senior Division or Big League Division. An exception to this requirement may be made if an injury precludes playing in one of the applicant's qualifying seasons.
- B. Academic Achievement -- Applicants must be accepted by an accredited institution of higher learning.
- C. Social Responsibility - Participating in extra-curricular or community activity will be considered by the committee.

Applications are due to the Kernersville Little League by April 30. Announcement of the scholarship winners will be made by July 1. Applications may be mailed to Kernersville Little League, P.O. Box 773, Kernersville, NC 27285, or delivered in person to a member of the Board of Directors.

After applications are received, four finalists from each category, male and female, will be selected. Finalists will be requested to attend a personal interview with the Selection Committee.

Scholarship proceeds will be forwarded to the school of the winner's choice. Scholarship is to cover cost of tuition and books or \$1,000.00, whichever is less. If the cost of tuition and books is less than \$1,000.00 per school period, the balance left will remain in the scholarship account for use in the future for that winner's continuing education. Winners may elect to receive the scholarship proceeds over a two year or four year period; however, the total amount of the scholarship is not to exceed \$1,000.00

Student Information

General Information

Name: _____

Age: _____ Sex: _____ Male _____ Female

Parent's Names: _____

Home Address: _____

Academic Information

Grade point average is _____ out of a possible 4.0
